Memorandum to: Executive Officer, CIG

1. In view of the paramount importance of limiting knowledge of the activities of Special Operations, it is highly desirable that contacts with War, Navy, State and other Departments of Government be confined to the minimum.

2. It is therefore requested that instructions be issued to all personnel of the various sections of the Office of the Executive for Personnel and Administration, CIG, assigned to operationally support the office of special operations, that in the conduct of such operations no contacts will be made with representatives of the War, Navy, State or other Departments of Government except through the Office of Control, Special Operations.

STAT

3. In the interest of security, personnel of Special Operations have been instructed to confine their contacts and visits to other offices of the Central Intelligence Group to the minimum necessary to transact official business. It is requested that similar instructions be issued to all CIG personnel.
